## CALENDARS

Sunday Monday Tuesday Wednesday Thursday Friday Saturday

Dove is now selling 2012 calendars(\$20)and cookbooks(15) to help support our work. The calendar is filled with beautiful pictures of Sierra Leone and the cookbook with a mix of recipes. If you have ever been here, you will want at least one of each of these. Why not buy a few and give them out as Christmas presents. Cost includes postage and shipping. Please help us make up our financial shortfall and buy one.

The rains are beginning to pass with just occasional thunder grumbling in the background. I stand amazed at the growth of everything green on our 10 acre compound. Through the 6 months of rain it is almost impossible to keep up with maintenance and exterior paint washes right off the buildings. Work teams are needed now to help paint interiors and exteriors, school floors and strong arms are needed to trim back the jungle overgrowth. Have you considered coming over? We can guarantee you the experience of a lifetime. Why not get in touch with Judy at [intdove@hotmail.com](mailto:intdove@hotmail.com) and we will help you find your way over.
