BAGS OF GOOD CHEER

On Saturday, the Dove kids and staff handed out over 100 goodie bags to kids in the community under the age of 7. The bags contained gifts for a Mom, Dad and several kids in each family. Items were donated by the Melksham family of churches in the UK.

Many poor families in the community received clothes, toys and other useful items from Dove.

Kids started lining up outside our compound at 7 am, anxious not to miss the 10am gift-giving!
